PERRY BENCH

Turn up the volume with Perry, a dynamic mix of angles and planes that can pair with the matching table or stand on its own.

PERRY BENCH

Perry's steel trapezoid legs transform it from an ordinary bench into something with a lot more sizzle.

- 30", 42", or 60" widths to stand alone, in pairs, or leave space for a wheelchair.
- An 18" height and 15" depth work well alone or under a table.
- Two or three legs make sitters feel secure while offering plenty of leg room.
- Custom finishes add all the drama you want.
